\$5000 Burglary Foot Includes 8 Color TV Sets

GC Appliance Store Hit
By Professionals; Hole
Knocked in Rear Wall

Over \$5000 worth of color television sets, portable TVs, tape recorders, guns, watches and tools were taken by burglars who knocked a hole in a wooden rear annex at Tri-City Radio Co., 3130 N. Main St., Sunday night.

"They cleaned us out of tape recorders, about 16, and took most of the large color television sets," Hughes told the Press-Record.

Police said the burglary was staged by professionals who have been operating throughout the two-state metropolitan area, concentrating on appliance stores with color television sets and recorders.

It is believed the thieves also plan other such hits, as they stole heavy sledge hammers and other tools from Tri-City Radio.

The store's rear door is in a frame annex, and the burglars knocked a hole large enough for one of them to push away three air conditioning units stored against the back wall and then crawl inside to unlock the door.

Hughes had building repairs made within two hours after the break-in.

Tire Tracks to Door
Police found tire tracks up to the rear door, and believe a truck was used to haul the load. "It couldn't have been a station wagon," Hughes noted, "since several of the TV sets were large enough to fill a wagon."

At least eight console color TV sets, a dozen portable TVs and about 16 tape recorders were taken. An inventory is being made to determine the number of smaller items taken, such as other appliances, watches and tools.

The burglars ransacked the office and looted a cash register and file cabinets. They even started to carry off one large color console television set that was in for repairs with the chassis removed.

The guns taken included a .22 caliber rifle, a 20-gauge pump gun and a .410-gauge shotgun.

Store Window Smashed
An alert taxicab driver reported to police at 9 a.m. Sunday that he had seen a man wearing a dark coat kick in the front door of Strauss Store for Men, 1331 Nineteenth street. He said the man fled on foot without entering the store.

Candy, cigarettes and cigarette lighters were stolen from Strauss Store's Neighborhood Confectionery, 2443 Grand avenue, it was reported to police Sunday morning. Entry was gained by forcing the front door.

Ten pry marks with a screwdriver or small pry bar were found shortly after noon Sunday on the rear door at the Senate Tavern, 2105 Grand avenue, by John McDonald, who notified police. Entrance was not gained.

An adding machine was stolen from Elledge Motor Co. office, 8th street and Grand avenue, by a burglar who also pried open the cash register to get \$2 in coins, it was reported to police Sunday morning. Officers said there was no sign of a forced entry.

Burglars Hit Church
An amplifier valued at \$150 and a microphone with stand valued at \$80, part of the public address system, were stolen in a burglary at St. Elizabeth Hospital.

Armed Bandit Gets \$85; Hits Victim in Jaw

A masked bandit escaped with \$85 in a holdup at the Taco House, 1537 E. 20th street, after striking a boy in the jaw at 5:30 p.m. Sunday. It was the third holdup there in three months.

The victim was Robert Colwell, 15, of Alhambra, who was not seriously injured in the attack. He was given emergency treatment at St. Elizabeth Hospital.

Colwell told police that the man, about 30, entered the restaurant through the front door, pulled a revolver and demanded all of the money from the cash register. The bandit took the money himself, the boy said, and then ordered him into the kitchen where he also took a brown wallet.

The boy was struck while in the kitchen, where the robber demanded a \$85 ransom for the cash and broke some dishes. He also took Colwell's watch, but it was found later outside the rear door in a mud puddle. The robber fled through a rear door.

Wearing a handkerchief around his face, he was scribbled as weighing about 200 pounds with dark short hair, brown eyes, and wearing white khaki trousers, a yellow silk jacket with a hood pulled over and slip-on type shoes.

**Candidate Filing
Ends for 2 Local
Park Elections**

Filing period for April 4 park district elections in Granite City and Venice ended Saturday with additional filings.

The end of the filing period in Venice without additional candidates was tantamount to re-election for Peter Ponce, 807 Filmore street, Venice, whose term expires this year. Park board members are elected to six-year terms.

In Granite City, only three candidates filed for the two posts open to election to the five-man board this year.

These included two incumbents whose terms expire this year—Milton Thornton, 3506 Terrace street, and Clarence Baumer, 2111 Bryan avenue.

Position candidate is Chris Vonida, 2425 Jorden avenue.

The park district board held April 4 on the same day as township elections and the Granite City municipal election.

No additional filings were reported today in the park district elections in Granite City, Madison and Venice. The filing period for the school balloting ends at noon on March 18.

Area's \$12,056,840 Tax Bill This Year is Up \$1,386,438

(Chart on page 3)

Higher tax rates and generally increased assessments will cost Quad-City area property owners an additional \$1,386,438 in taxes this year, an unofficial computation of tax statistics showed today.

In the five major divisions of the Quad-City area—Granite City, Vandalia, Chouteau, townships, and the municipalities of Madison and Venice—property owners will be billed for \$12,056,840 on the basis of new rates and valuations announced by the county clerk's office.

Tax extensions for the same area for the 1965 tax year, collected last year, amounted to \$10,670,402.

While part of the increase can be attributed to increased property valuations, bulk of the higher taxes results from tax rates which jumped sharply this year for virtually all major tax districts.

Venice Rate Soars
Overall tax rates for some political subdivisions are up as much as 7.8 cents per \$100 valuation in Venice, with 38 cents of the increase in the city corporate.

FINGERPRINT DUSTING A portable TV set left behind in the \$5000 burglary at Tri-City Radio is Granite City Detective Joseph Nemeth, who said the task was fruitless as the professional thieves apparently wore gloves.

19 Persons Injured

Rain, Sleet, Snow Cause 31 Area Crashes
A weekend of rain and sleet 31 crashes. Seven persons were hurt early Sunday in a three-car accident on the Quad-Cities, it was noted to and three members of an East day by authorities who reported St. Louis family suffered minor 19 persons were injured in 10 of injuries when their station wagon was hit by a train near Granite City.

Seven persons were hurt about 2 a.m. Sunday in a three-car crash at 20th and Benton streets where one auto traveling south and in the wrong direction on Benton street went into the path of an auto going east on 20th street and was knocked into a parked car.

William Gass Jr., 18, of 3024 Sunbury drive, was charged with driving in the wrong direction. He was taken to St. Elizabeth Hospital for examination.

Passengers in his auto who were hurt were John E. Jones, 17, of 4145 Highway 11, who was admitted to the hospital with back and head injuries; and Terry Maczura, 16, of 3086 Aubrey avenue, who was admitted with back, face and leg injuries. Another passenger, Mike Jones, 18, of 2908 Dogwood drive, was unhurt.

Driver of the other auto was David French, 19, of Glen Caron, who suffered rib injuries; and passengers in his auto, Mrs. Patricia Lupardus, 23, of 2024 Elm street, who was admitted with back, abdominal and knee injuries; Ronald Lupardus, 22, same address, minor injuries; and Vicki Lupardus, 16, of 1346 Poplar street, who was admitted with injuries to her back and abdomen.

The parked auto in the 1900 was hit by a train near Granite City.

New Housing Leads Former GC Resident's Field in Building Activity in Month

Construction of nine new homes led the field in the Granite City building industry during February as 22 building permits were issued with values of \$191,910.

The total was above the \$145,500 figure for January, which included only two houses, but still far below the activity of February 1966 when 28 permits were issued with values of \$330,110.

That figure included only seven new houses when the month preceded the start of the "tight money" situation.

The building permits listed values of housing at \$169,000, two additions to homes at \$3500, four for remodeling and repairs at \$3820, five for commercial-industrial purposes at \$12,650, one garage and remodeling at \$2640 and one for miscellaneous purposes, a shed, at \$200.

Only one permit was issued at the close of the month—to James Lane; 2215 Nevada avenue, for a room addition at a cost of \$1000.

7 Undergo Surgery At Local Hospital

The following have undergone surgery at St. Elizabeth Hospital Thursday.

Robert McCord, 2525 State street; Elaine Crane, 1202 Granite avenue; Henry Camper, 2405 Glen place; Carl Hunkeler, 2461 Adams street; Nancy York, 2011 Harris street; Madison; Henry Weber, 2401 Washington avenue; Harvey Moore, Hartford.

19 WITHOUT A QUAD-CITY TRAFFIC DEATH

City township residents will be billed this year for \$7,059,493 in taxes for the six taxing agencies located within its boundaries. These include the city, school district 9, the park district, township, county and the levee district.

The overall tax bill is based on a combined rate of \$4.37 per \$100 valuation, compared to \$3.98 for the 1965 tax year. This is an increase of \$159,014 for Namecki residents.

Chouteau township taxpayers will be billed for \$107,041 more than last year in extensions totaling \$222,995 for the 1966 tax year collectible this spring. The overall tax rate of Chouteau township, covering seven taxing agencies, is \$3.84 for the 1966 year, an increase of 20.9 cents per \$100 valuation over the 1965 rate of \$3.65.

This would indicate that all of the tax rate increase in Chouteau is due to the School District 9 increase of 22 cents, since School District 9 lies in Chouteau township and that rate is applicable for Chouteau taxpayers.

Last year's tax extension in Chouteau township, based on the Madison Hills Up tax, was \$3,635 rate, amounted to \$186,864. The new overall rate of \$4.37 is for six taxing agencies; it would be billed this year for \$202,586, up \$47,849 over a tax bill of \$154,737 for the 1965 tax year collected.

Starch Workers Back on Jobs After Stoppage

Production was to be resumed this afternoon at Union Starch & Refining Co. where operations were shut down early this morning by a union grievance.

The work stoppage began when the 7 a.m. shift was due to report. Employees agreed in a meeting with top plant officials shortly before noon today to go back to work, pending negotiation of the grievance between union and plant officials.

A plant spokesman said the issue involved a company procedure in returning employees who had been off work due to illness or an injury.

Company officials met with employees of the Oil, Chemical and Atomic Workers Union, Local 4681, in the company cafeteria at 11 a.m. Cecil Martin, Belleville, international representative of the union, attended the session.

Urges Return to Work
After a question and answer session, the company and union officials "mutually urged" the workers to go back to their jobs, the plant spokesman said.

Martin said he had "no comment" concerning the situation. Plant officials said they were scheduled to meet this afternoon with Martin and officials of the local to discuss the grievance and possible terms of settlement.

He said full production by the 400 employees was expected to be resumed by 3 p.m. today.

There were no extensive operations at the plant during the weekend, the spokesman said, and grinding was scheduled to be resumed this morning.

There were no pickets at any of the gates or around any part of the plant property during the shutdown.

Wilbur S. Moore, 54, Dies during Vacation

Wilbur S. Moore, 54, of 2007 Fifth street, Madison, a foreman at Laclede Steel Co., died peacefully of a heart attack at 7:15 a.m. Sunday at Ponca City, Okla., where he and his wife, Lois, were vacationing on a visit to his brother, J. Brown.

The Moores had arrived at the Brown home only Saturday afternoon.

Mr. Moore, a native of Percy, Ill., was employed at Laclede Steel since 1958 and was a shipyard foreman. He served in the Merchant Marines during world war two.

Besides his wife, he is survived by his mother, Mrs. Ollie Moore, Sparta, and three sisters, Mrs. Charles (Wilma) Schuch, Sparta, Mrs. Everett (Audrey) Hartman, Percy, and Mrs. Paul (Margaret) Dove, Muelhe, Percy.

Obituary notice appears elsewhere in this issue.

Area-Wide Report

The area's traffic accident continued its downward spiral in March, with 170 accidents in the first two months of the year, compared to 222 in the same period of 1965, the totals were 412 accidents with 148 injuries and five deaths.

February statistics were the lowest in three years—148 accidents with 57 injuries and two deaths—increasing the totals for the year to 313 crashes with 146 injuries and three fatalities.

The 143, 57 and 2 statistics for February show declines from the February 1966 figures of 187 accidents with 119 injuries and one death. In February 1965, the totals were 182, 59 and 4.

The February accident figures 4.6 a day. However, in February this year also showed a decline 1965, there were six traffic deaths in two of the three categories.

Elizabeth March Doing Fine

Court Hearing March 16 On Baby Abandoned Here

Little four-day old Elizabeth March, the infant who was not accepted any adoption applications, was scheduled for a hearing on the parking lot at St. Elizabeth Hospital early last Thursday. It is being held in the hospital on the 16th of March.

Parents of the child, who are proved foster homes where the baby can be placed. She presently is in an isolation room next to a nurse station at the hospital.

When found about 3:45 a.m. at the St. Elizabeth hospital, she was wrapped in a blanket and was lying near the rear wheel of a parked car.

She was found by Mrs. Max Jones, an EKG technician at the hospital, as she was arriving for work. The technician was at the time was about 43 years old, and it is believed the baby was left on the ground.

James Reidelberger, chief probation officer, said his office is only a short time.

At-Large Vote Out -- Eight New Wards to Stand

**Decision Due This
Week On At-Large
Petitions Filed**

What to do about candidates who filed only the at-large type petitions for the April 4 election in Granite City is the big question now.

City Atty. Allen told the Press-Record Saturday that he hopes to have the answer sometime this week for City Clerk Pendleton, now that the at-large election of Judge Streep has been suspended with Friday's filing of an appeal bond.

"Pendleton has been asking me the same question, and right now I don't have the answer. I've been tied up in another court case, but I plan to research the matter as soon as possible and get together with Pendleton," Allen said.

He said that so far he has been unable to find any similar cases in law books, indicating that Granite City may be creating a "first for the law annals."

Biggest problem is the period has expired for candidates to withdraw and for filing objections to petitions of candidacy. The filing period for the April 4 election ended Feb. 13 with a rush of at-large filings that allowed Judge Streep's Feb. 9 election to stand.

Those with the doubtful at-large petitions are—Donald Stucke, 1613 Clark avenue; Dr. James C. Byers Jr., 214 Prince street; Earl Thompson, incumbent; 3801 Wabash avenue; Curtis Stevens, 2801 Denver street; Boyd Presley, 2441 St. Clair avenue; Anthony E. Mitchell, 2013 Cleveland Blvd.; and James Kostoff, 3200 Madison avenue.

Candidates with ward petitions include—First Ward, Charles W. Moerlein, incumbent; and B. J. Mih: Second Ward, Samuel Whitmer, incumbent; and Daniel Sheehan, Third Ward, Clyde Wood, incumbent; Fourth Ward, William Harrison and Robert Green, incumbent.

Fifth Ward, Walter Nord, incumbent; Sixth Ward, Gerald Armstrong, incumbent; Seventh Ward, Carl Paschall, Dale Sheen, Earl Jarrett and R. Grad Knack; and Eighth Ward, Emeril and seven wards.

Allen said that after the transcripts are readied by the court reporter, they are submitted to the clerk of the Illinois Supreme Court to determine if he can get the issue before the Justices. "Mr. Vernon is not now in session, and it will be the question of time and also whether the court would even consider the issue."

Seven-Ward Proponents Could Move to Unseat Aldermen after Election

Success in blocking the at-large election in Granite City—achieved Friday—may be shortlived, as the possibility of quo warranto proceedings being filed after the April 4 vote that could unseat the eight aldermen election.

The at-large election of seven aldermen ordered by Associate Judge J. H. Streep on Feb. 9 had become popular with many Granite Citizens, but it was frowned upon by a number of the aldermen who swung into action two days later to appeal the order.

Preparations were being made during a special council meeting Saturday morning to return the city to a "normal" eight ward election on April 4, with a resolution to be readied for tonight's council session designating the polling places in the city's 25 precincts and for the 32 township precincts.

The accomplishment of suspending Judge Streep's order became a fact about noon Friday when a \$500 appeal bond was filed and was approved by the judge at Edwardsville.

"Out of My Hands"
Judge Streep told the Press-Record he believed the bond was superseded, but "I don't want to commit myself." He added, "The matter is now out of my hands. It's up to the lawyers to decide."

City Atty. Richard Allen proceeded Friday afternoon to arrange for the election by wards, using the eight new wards outlined in the Jan. 23 remap voted by the city council.

Pratt for Miller, retired Union Starch & Refining Co. worker, who was slated in the preparation of the suit by First Ward Alderman Charles W. Moerlein, also staunch advocate for a return to seven wards.

Moerlein, whose term expires this year and who is seeking reelection, attempted to amend his eight-ward restricting ordinance with an amendment to return to seven wards.

Home Nurse Badges Earned by Girl Scouts

The Girl Scouts of Troop 19, sponsored by the Elks Lodge 1083 received their home nurse badge by participating in a series of three sessions at St. Elizabeth Hospital. Mrs. Joan Oram and Mrs. Betty C. Walls are the troop leaders.

Miss Lynn Schafer, the hospital dietitian, explained what is meant by a liquid diet, a soft diet, and light diet in the first session, while in the second session the girls were shown by Sr. M. Philomena how to take a temperature, pulse, respiration and make hot wet compresses.

The third and final session was conducted by Mrs. Catherine Pisel, volunteer director, who showed how to make a patient comfortable, and how to improve a back rest, body supports, waste disposal bag, and doct silencer.

The scouts participating were Carrie Black, Jo Ann Albers, Cathy Duke, Nancy Edwards, Janice Hesseldine, Marlene Kafa, Cathy Lee, Lynda Mitchell, Linda Oram, Deborah Lake, Nancy Page, Nancy Polson, Jo Ann Riddle, Janet Schmidt, Cynthia Stanton, Patricia Wallace, Cheryl Walls, Debra Welker, Barbara Voss and Roberta Forshee.

Careless Driving Charge

Richard M. Bruce, 2209 1/2 Lee avenue, was arrested by Venice police at 4:05 p.m. Friday on a charge of careless driving. Police said Bruce drove his car around the lowered gates at the Broadway railroad crossing. Bruce posted his driver's license as bond pending a hearing March 15.

Optimists Hear Outlines Of Youth Corps, Vista

Outlines of the Neighborhood Youth Corps and VISTA (Volunteers in Service to America) were given 24 members of the Granite City Optimist Club at their Thursday luncheon in the YMCA.

Plans also were made for the annual student-Optimist contest to be held Thursday evening at the Round Table restaurant near Collinsville, starting at 6:30.

Guest speakers were John Lobos, deputy director of the Neighborhood Youth Corps for Madison and St. Clair counties, and Miss Barbara Van Wiggeren of Baltimore, a Vista worker at Alton.

Lobos said there currently are 900 persons, ages 16 to 22, in the youth corps programs. The purposes are to provide incentives for those in school to remain there, and to give them work opportunities up to 12 hours a week.

For the dropouts, work experience up to 32 hours a week is provided, along with development of work habits and a build-up toward a desire to return to school. He noted that many have no work habits as they are the third generation receiving public aid.

Miss Van Wiggeren said Vista recruits are in the 18 and up age brackets and volunteers for a minimum of one year's service. They are placed with agencies in communities from which requests for assistance is made, and their subsistence is based on the level of the community.

Other program includes teaching youngsters how to dress and speak and how to act toward an employer, as well as to service liaison between the needy and the service agencies in a community," she explained.

Other purposes of Vista are to bring out leadership in a community to continue the program after the volunteer departs and to provide a contact with individuals to show them there is someone who cares.

Program chairman, Edward Stout introduced the speakers, and another guest was Richard High, an accountant, who was with William Harris.

Three-Car Pileup

Three autos, all traveling east in the 1500 block of Niedringhaus avenue, were damaged Saturday afternoon in a pileup as Sandra Qualey, 1728 Fifth street, Madison, was making a left turn into a drive-in shop. The other drivers were Marshall Wallace of Collinsville and William Heath Jr., 2720 Sunset drive.

Windshield Wipers Stolen

Everett Marlen, 2688 East 24th street, reported to police Saturday evening that the windshield wiper blades had been stolen off his 1963 auto.

25-Ton Tanker Truck Jackknifes Into Auto

The driver of a 25-ton tanker truck-trailer truck was charged with wrong lane usage Saturday afternoon when he applied his brakes quickly to avoid crashing into the rear of a pickup truck that had stopped suddenly in the 3000 block of Nameoki road, and the tanker truck jackknifed into an auto headed in the opposite direction.

The driver charged was Freddie Collins of East St. Louis, who said he tried to avoid hitting the pickup truck because there were youngsters standing in it. The wet pavement caused his south-bound truck to jackknife into the northbound lane and into the side of the auto of August Beckman, 2123 Lynch avenue.

Auto Hits Sign Post

Joseph Meade of Yorden lost control of his auto on tracks at the 19th street railroad crossing while traveling south on Edwardville road Sunday morning, and his auto jumped onto a traffic lane separation island knocking down a "keep right" sign.

Income Tax Expert Gives Bit of Advice

"Here's a word of advice from the Internal Revenue Service. After you prepare your 1966 Federal income tax return, it is a good idea to set it aside for a day or so and then give it a thorough review before you mail it," Jay G. Philpott, district director of Internal Revenue, said today.

"Illinois taxpayers who heed this advice often find omitted income or deductions, or errors in arithmetic. A review of the return may disclose that the taxpayer failed to provide his name, address, and zip code, omitted his social security number or listed it incorrectly, did not attach all copies of Form W-2, or forgot to sign the return."

"This review will be time well spent as it may prevent delays in processing the return and will speed up any refund due," Philpott said.

*Denotes last year's levee district rate, not yet computed for 1966 by St. Clair county tax officials.

The above rates are shown in a way that they will affect the majority of property owners in local areas. For taxpayers living within the boundaries of different governmental groups, the overall rates will vary accordingly.

Persons living within the Long Lake Fire District should add 9.6 cents, a drop of 4 cent from last year to other rates in the township to determine their local rate. Those in the Miracle-Manor-Bellemore Place street lighting district should add 12 cents (up 2 cents from last year). In State Park Place, taxpayers of the street lighting district should add 12.5 cents, up 2.5 cents over last year.

Venice township residents who live in the Granite City school district should apply that rate instead of the Venice school rate. In all cases the overall rate can be determined by adding the rates of governmental districts in which the taxpayer lives. The levee district rate still is subject to change in event the county clerk receives a new rate from St. Clair county.

The overall rates are applicable to each \$100 of assessed valuation.

His entry, a pencil and chalk drawing entitled "The Bathers" was one of the top awards in the "Modern Trends Exhibition." More than 2000 works were submitted but only 260 entries were accepted to be shown.

It was in connection with the Festival of Modern Trends. Artists residing in Nebraska, Iowa, Illinois, Missouri, Wisconsin, the Dakotas, Colorado, Wyoming and Oklahoma could submit entries.

Shriners Plan Parade To Honor Wilimzig

A May 6 Shriners parade request from the Tri-City Shrine Club along with an ordinance to boost the street superintendent's salary to \$9000 from the present \$7800 are included on the agenda for tonight's 8 o'clock session of the Granite City Council. The parade is to honor Potentate Roy Wilimzig of Granite City.

Also listed are the amendment to the liquor control ordinance to prohibit teenagers from working as carryout boys at liquor stores, an ordinance requiring a council permit to open laundromats and car wash places and the deferred ordinance for hiring two secretaries for the police department.

Another report is due on progress for right-of-way acquisition for the \$700,000 improvement and widening for the south end of Nameoki road.

Bow Line Boat Club is Preparing for Marathon

The Bow Line Boat Club will resume regular meetings Wednesday, March 15, in preparation for the May 21 marathon boat races and also to continue planning its improvement and expansion program. It was announced today by S. D. N. Daugherty, Bow Line commodore.

Members were unable to meet last month due to the club building being relocated a distance of 400 feet from its former site. Daugherty said the move has been completed and carpenters shortly will start to modernize the interior.

Should the 25x55-foot club building not be ready for occupancy by the March 15 date, members will be notified of an alternate meeting place, the official said.

Bow Line directors and members of the lot committee currently are making changes in several lot areas along the Hartford Canal bank, Daugherty related. Re-alignment of lots is necessary due to relocating the club building, he explained, adding that plans are under way to construct barbecue pits nearby.

The club official is reminding members and other local boat owners that the U. S. Coast Guard is planning to crackdown on those persons whose craft do not conform to new requirements governing proper ventilation for gas fumes.

The new regulations on ventilation were to have started last June, according to Daugherty, but widespread confusion among boat owners caused the Coast

Guard to delay enforcement.

Coast Guard officials have warned that its self-imposed moratorium will end June 1, 1967, the commodore said. After that owners of boats with ventilation systems that do not comply will be prosecuted.

The change in regulations came about after a 1963 study by the Coast Guard revealed that the old laws failed to spell out sufficiently what constitutes proper ventilation on boats that contain places where gas fumes might accumulate.

The code now specifies the use of ducts and exterior fittings for the ducts, Daugherty explained. It rates the relative efficiency of the various kinds of fittings and even lists the size of ducts that are required for given amounts of space to be ventilated.

An illustrated publication, Ventilation Systems for Small Craft (pamphlet No. CG-385) is available free upon request from the Commandant, (CHS), U. S. Coast Guard, Washington, D. C., 20226, the local boating officer said.

Daugherty also reports a set of charts for the upper Mississippi River has now been prepared especially for pleasure boaters. Charts of the river from St. Louis to Minneapolis have been compiled in a fold-out map form. Each chart measures 3 1/2 inches by 7 inches.

The booklet, at \$1.25 a copy, is available from Upper Mississippi Harbor Guide, 801 South Michigan, Prairie du Chien, Wis., Daugherty said.

Navymen M. E. Mathon Returns from Vietnam

Navymen Michael E. Mathon returned to Alameda, Calif. aboard the USS Coral Sea, when the attack aircraft carrier completed her second tour of duty in the Vietnam war zone.

The 19-year old Navymen is the son of Mr. and Mrs. Edward M. Mathon, 125 Trocadero lane. He attended Granite City high school before entering the Navy in 1964.

As a member of the V-2 Division, he is responsible for the operation and maintenance of the ship's visual landing aids, catapults and arresting gear used in the recovery and launch of aircraft.

Speaking of the importance of each man on his ship, Coral Sea's skipper, Captain Frank W. Ault, said, "Everyone serving on the Coral Sea is a member of our ship's fighting team. I consider his job to be a very real and vital contribution to the success of these operations."

Kahoks Top GC for Title, Advance to Sectional

Sharp Passes, Shots in 77-65 Collinsville Win

Different opinions are being voiced as to why the Collinsville Kahoks defeated the Granite City Warriors 77-65 in the championship game of the Edwardsville regional high school basketball tournament Friday night.

But the score remains the decisive factor, and the tall, two-beaten Kahoks will carry the major Madison county hopes into the sectional level of the 1967 statewide competition.

Friday's title game ended Quad-City area aspirations. GCHS having eliminated Madison the previous night and Venice having lost early last week to Alton, Collinsville's semifinal victim.

A major reason cited for the Kahoks' victory over the Warriors was their decided height advantage—not one but three tall players.

Another factor was the fact that the Warriors had played a tough game in topping the Trojans the night before, while Collinsville was comparatively well-rested with a two-day layoff between the semifinals and finals.

"Brought Out Their Best"
Ralph Sackett, Warrior coach, felt that Granite City had brought out the best in the Kahoks, who as a result played a superior game.

Also, the Kahoks were more used to regional championship contention, having now won five in a row with Friday's title included. The less experienced Warriors missed seven bonus option free throws in the first half.

"Missing the free throws put us in a catch-up position, and Collinsville is a rough team to catch up on," Sackett concluded in giving high praise to both the Granite City and Collinsville players.

After holding the lead in the opening minutes of the game, the Warriors trailed 21-15, 34-25 and 53-43 at the quarters, matching the Kahoks with 22 points in the final period.

Statistics show Granite City

played proficiently, sinking 21 of 30 free throws for 70% and 22 of 48 field goals for 46%.

89%, 64% Accuracy
But Collinsville was even more torrid, connecting on 27 of 27 charity tosses for 83% and 23 of 42 attempts from the field for 55%.

Each team gathered in 25, rebounds, a tribute to the out-manned but not outwitted Warriors.

Outstanding performers were numerous. Terry Moore (6'4") of Granite City rebounded adroitly and dropped in 10 baskets and 11 free throws to lead all scorers with 31 points, and Ron Burton (6'3") led Collinsville with 29 points, followed by Dennis Arnold (6'4½") with 16 points and Tom Parker (6'2") with 12.

Lack of high scoring from their backcourt again hampered the Kahoks, who saw a total of only 20 points added by five players besides the "big three."

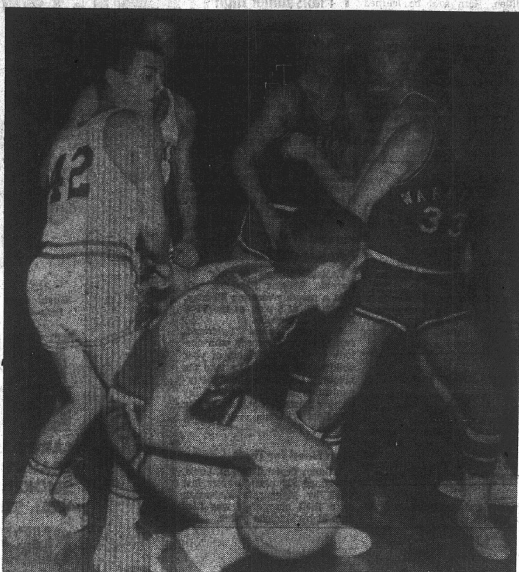

Other GCHS scorers were Gary Simpson 11, Jim Hentzel 10, Jim Stuart eight, Jeff Jones four and John VanBuskirk, one, besides the "big three."

Pass for Layups
Sizzling shooting was the hallmark of the Collinsville attack, aided by sharp passing that provided numerous layups. Sinking eight of 11 first-quarter shots, the Kahoks put together seven consecutive points to provide the basic lead that they protected throughout the game.

Both squads were sharp in the third quarter but Collinsville meshed nine of 13 field goal attempts to add three points to its nine-point halftime advantage.

In the final period, Parker fouled out with 6:25 left and the score 57-44, and Burton left on fouls with 3:14 remaining and only a 64-58 lead.

However, Arnold picked up his scoring pace and the Warriors tried to foul in efforts to gain more time. The Kahoks sank 14 of 16 attempts from the foul line in the closing quarter to put the game out of reach.

DRIBBLING OUT of the mob is Warrior Jim Hentzel after grabbing a rebound during the first quarter. Left to right are Kahoks Mike Fletcher, Steve Helmkamp (behind Fletcher), Warrior Terry Moore, Kahok Bruce Evans and Warrior Jim Stuart (33).

Warrior Rally Upsets Trojans, 58-54

When top teams compete, each tries to impress its particular playing style on the other, hoping the opponent cannot adapt and thus have the advantage.

At times in their Edwardsville regional semifinal game, won by riors, a one-point advantage. Madison's problems had just begun. After the toss-in, Warrior Bob Malotki attempted a steal and ended up on the floor with Trojan's Tom Weston and Albert Boyd.

During the scramble, Malotki managed to throw the ball out to Warrior Gary Simpson, who sank a 20-foot field goal for a 55-52 lead. With 30 seconds left, the Trojans were given another chance when Warrior Jeff Jones fouled Trojan Ron Burt.

58-54 With 19 Seconds Left
Burt, a standout on defense and playmaking during the game, could not connect on the one free throw allowed, but Trojan Boyd rebounded for a tip-in to make the score Warriors 55, Trojans 54 with but 19 seconds remaining.

The noisy crowd became utterly silent as the suspense and the pressure on the teams increased. After the toss-in by Granite City, Weston was called for fouling Hentzel with 12 seconds left, Joe Collins three and Boyd offense, and Madison had to give Hentzel hit both the initial free

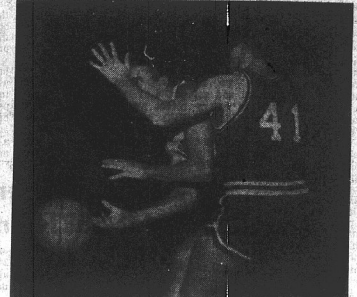

throw and bonus shot to provide a mountainous three-point lead. Madison brought the ball down the court but Simpson deflected it out-of-bounds. After the next throw-in, Gary Lusk missed a long shot and the Warriors took the rebound.

Boyd fouled Malotki, who made one of two charity shots. A 20-11 edge in the final period provided the four-point victory margin.

23 Points For Lusk
The shooting of Trojan Lusk, who tallied 23 points, and the defensive aggressiveness of Trojan Neal Podoba, who stole the ball eight times, had posed serious problems for the Warriors.

It was Lusk who put the Trojans in the lead for the first time in the third period, sinking his eighth consecutive field goal. Podoba picked up the cue with the steal and improved the Madison lead to 39-36, setting the stage for the five-point advantage at the end of the quarter.

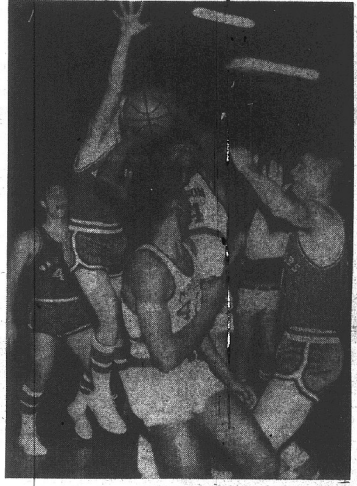

Moore and Hentzel led the Granite City attack with 19 points each. Simpson scored 10, Jim Stuart five, Jones four and Hentzel three. The Warriors finished with 13 points. Weston nine, Burt four, Joe Collins three and Boyd offense, and Madison had to give Hentzel hit both the initial free

Althoff Also A Rival at E. St. Louis

Collinsville, conqueror of Granite City in the regional basketball finale at Edwardsville Friday night, ranks with Belleville Althoff as co-favorites of the East St. Louis high school sectional meet opening Wednesday night.

Althoff (25-2) meets Highland (17-9) in the initial game at 8 p.m. Wednesday, while Collinsville (25-2) opposes Bethalto (17-4) at 8 p.m. Thursday.

The victors will decide the sectional championship at 8 p.m. Friday at East St. Louis high school.

Overtime Title Games
In regional title games, Collinsville defeated GCHS 77-65 at Edwardsville. Althoff ousted Belleville West 57-50 at Belleville East. Highland topped Altamont 71-69 in overtime at Altamont.

Bethalto edged Burlington Hill 55-52 in overtime at Hillsboro. Collinsville won the Southwestern Illinois Conference without a defeat and Althoff won the Bi-State Conference championship with a single loss.

Highland finished in a three-way tie for second place with a 7-5 mark and Bethalto was fifth with a 4-6 record in the Midwestern Conference, won by Madison, which lost to Granite City in the Edwardsville regional.

Although many were disappointed when a Collinsville-Madison pairing failed to materialize in the regional, a Collinsville-Althoff clash should be almost equally interesting if it develops at East St. Louis. Madison defeated Belleville Althoff by a point in a non-conference game this season.

Lawrenceville Looks Ahead
Whoever wins at East St. Louis is expected to face tough Lawrenceville (27-0), an Olney sectional entry, in the super-sectional at Charleston March 14. Eight-team state finals will follow at Champaign March 17-18.

Other top-rated teams still in contention include Benton (28-0), Rockford West (24-0), Danville Rockham (27-0), Peoria Central (24-2), Quincy (23-8), Pekin (25-2), Springfield (23-3) and Carbondale (24-2).

Flyers Win Indoor Track Meet; Record Dash Scored

East St. Louis' Mike Goodrich threatened to capture the world's record for the 60 yard dash as he was just two-tenths of a second off the mark breaking the record.

Goodrich broke the old Army mark of 6:2.2 and Steve Darrt tied his own record in the 60 yard hurdles clocking 1:07.3. Darrt also won the 60-yard hurdles in 1:07.3.

The Warriors, who promise to be one of the Metro-East's top squads did quite well according to Coach Morrison. "Despite our three weeks of practice," Morrison added, "I was particularly pleased with the performance of Bill Davis, Keith Gauen, Dave Lomax, Rich Hull, and sophomores Joe Bodi, Rich Bartling and Carl McDowell."

Dwight Nollen and Bob Morrow of East St. Louis ran 1-2 in the half mile, and Alton's Jim Rollins captured the high jump, leaping 6 feet two inches as the two area giants displayed their superiority over the other teams.

Alton tallied 27 points, Beaumont accumulated 24, Soldan had 22, and Lincoln of East St. Louis scored 19 to round out the top five.

The Warriors next meet is scheduled for Friday, March 17, at the St. Louis Armory.

Park District Athletes Win 'Recreation Day'

Granite City park district, represented by 44 young athletes, retained possession of the first place trophy at the second annual "Recreation Day" event held Saturday at Centralia. The local group tallied a total of 15 points in overall competition, narrowly winning the trophy from Alton and Highland, each with 14 points.
One first place win for a five point score was registered by the girls' double table tennis team of Jeanine Unfried and Deena Poulas. The Unfried girl later went on to take second place in a single table tennis match, tallying an additional three points. Matched against a strong Carbondale high school squad in the finals of a nine-team round robin basketball tournament, Granite City lost 30 to 35. However, the locals captured second place and three points by purchasing Belleville, 74-48, and overtaking Highland in a 47-45 victory.
Another second place finish was recorded by the girls' bowling team of Janis Scher, Dianna French, Jan Kalka, Diana Hanne and Kathy Weissenborn.

Fund Campaign Opens for Hospital Employee Group

A well-attended dinner meeting Thursday evening served to kick-off the St. Elizabeth Hospital Employees Division fund-raising drive through which 62 volunteers hope to raise a minimum of \$75,000 toward the hospital's expansion-remodeling campaign.

More than 60 persons, present in the Red Room of the Travelodge, heard Co-Chairman Miss Jackie Haug, physical therapy director, and Paul Hopper, hospital plant superintendent announce the formation of a "30 Minute Club" for hospital employees geared to benefit the campaign.

Miss Haug explained membership may be gained by employees who donate 30 minutes of their time each week for a period of five years. She said a special memorial plaque will be displayed prominently in the hospital building, listing the names of all members.

Both Miss Haug and Hopper stressed that hospital employees themselves are the pacesetters for the entire campaign. "You can expect others in the community to look to those employed by the hospital to reflect the need for this expansion program through a strong contribution to the fund-raising goal."

Hopper said he was certain the employees can easily achieve the minimum goal of \$75,000. "We hope to see the challenge goal of \$100,000 also surpassed," he added.

Mr. and Mrs. Frank Wheeler and Franklin Rich, campaign directors, explained details of the employees' drive and the mechanics in utilizing the volunteer kits provided to those present.

Austin Witter, vice-president of the St. Elizabeth Hospital Lay Advisory Board, introduced board members, Gene Chiriste, Granite City Steel Co., and Clifton E. Blankenship, A. O. Smith Corp., who were guests at the dinner.

Witter expressed the board's appreciation to employees appearing in the division's campaign and for setting an admirable goal.

Activities were concluded with the volunteers selecting cards of other hospital employees whose contributions they will solicit.

Hopper announced the first report meeting will be held at 7 p.m. Thursday in the basement meeting room at the Tri Cor Medical building, with a final report session to take place at the same location one week later.

Venice volunteer firemen were called Saturday evening to the Dutch Maid Laundromat, State and Market streets, where there was a fire in a washing machine. No estimate of the loss was given.

Local DeMolays Attend Association Meeting

A group of 27 DeMolays and five advisors from Granite City Chapter attended the Southern Illinois DeMolay Association meeting at the Belleville Masonic Temple Sunday. The session was hosted by Taucard Chapter of Belleville and was conducted by Jurisdictional Master Councilor Herbert McMen of Carbondale.

Special guests were—David Douglas, state master councilor; Stanley Meister, state junior councilor; William Hillard, state scribe; and Miss Lana Miller of Danville, state DeMolay sweetheart.

The initiatory degree was conferred on 16 candidates by officers of the Southern Jurisdiction chapters including Randy Fowler of Granite City. Among the candidates were Robert Eppert, Steven Meador and Michael Vorce of Granite City.

The class was named after G. Wilbur Hill, executive officer and active member of the Supreme Council Order of DeMolays, "Dale Bell of Champaign, Ill., is state eminent grand generalissimo of the Grand Encampment of Knights of Templar of the United States."

During a business session, Steven McLamar of Roodhouse was elected jurisdictional master councilor; Michael Ansel of Jerseyville, jurisdictional senior councilor, and Ronald Knecht of Belleville, jurisdictional junior councilor.

Birth Announced by Haacks in Toledo, O.

Capt. and Mrs. John Haack are announcing the birth of a son, Paul Andrew, Thursday in Toledo, O. They also have a daughter.

The paternal grandparents are Mr. and Mrs. John Haack, 2205 Edna street. Capt. Haack, who recently was promoted, is a jet fighter pilot in Southeast Asia. According to his last letter home, he had flown 31 missions and hopes to be able to return to the U. S. in July or August.

Fight in Tavern

Results in 2 Charges

Two charges of assault were placed against Harry James Wallace, 30, of 2053 Cleveland blvd., who was arrested about 8:45 p.m. Saturday at the Town tavern, 1312 State street, where two women told police Wallace had knocked them to the floor.

Complaints against him were filed by Tommy Hammett, a bartender, and Darlene Doss, 2245 Dawn place.

Two-Car Collision

Involved in a collision Saturday afternoon at 20th and State streets were autos driven by Roscoe Clapper Jr., 1829 Meridian street, who was going west and making a left turn, and Wilbur Cruz, 1624 Spring avenue, who was traveling south.

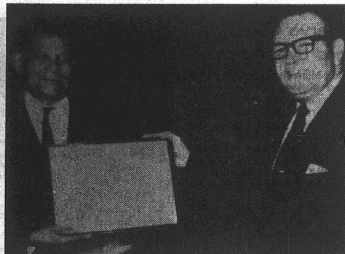

Reception Honors Hugh Hairston Sunday

Hugh Hairston of Venice, who holds state office in the National Association for the Advancement of Colored People and is a leader in the Economic Opportunity Commission, was honored by over 75 friends at a birthday reception given yesterday in the Venice public library auditorium.

Hairston, 801 Main street, received a plaque from the state NAACP, a citation and luggage from Venice Mayor John E. Lee and gifts and flowers from the New Salem Church, the First Baptist Church, the Stranger's Home and other organizations.

Mayor Lee gave the welcoming address, and other guest speakers were Dr. Fred Crockett of Danville, state NAACP president; Warren Cleveland of Edgewoodville, state NAACP secretary; Robert B. Lee of St. Louis, a former Mississippi school teacher; M. L. Thompson of Granite City; Rev. William Combs, pastor of the First Baptist Church of St. Louis; Dr. W. Gray of St. Louis, also representing the local NAACP branch.

Coffee, cake and punch were served by a committee composed of Mrs. William Baucum, Mrs. Thomas Weston, Mrs. Faye Cruz, 1624 Spring avenue, who was traveling south.

CITATION for community activities being presented to Hugh Hairston of Venice (left) by Venice Mayor John E. Lee during a reception yesterday at the public library.

Salem Baptist Church offered prayer.

Many guests were introduced, including Miss Evelyn Roberts of St. Louis, a member of the NAACP national board.

Mrs. Audress Brown, Venice librarian, was master-of-ceremonies and Hairston expressed his thanks to the gathering for the gifts and for the praise of his past community state and national service.

MORE ABOUT Area's \$12 Million

In 1966, The new rate is an increase of 18.1 cents per \$100 over the combined rate of the six agencies last year, when it was \$4.19. Madison, like Venice, showed only slight increase in its property assessments.

The rates on which taxes are paid in Nameoki township are the same as those on which Ponton Beach residents will pay 1966 bills. The village of Ponton Beach has no city corporate rate this year, and there was none last year. Residents there, however, must add the rate of the Long Lake Fire department, which amounts to 8.6 cents. This is a drop of 4 cent below last year's 10-cent rate.

City corporate rates for Granite City, Madison and Venice show substantial increases, topped by that of 38 cents per \$100 in Venice. Granite City's corporate rate increased by 9.8 cents from 60.8 cents last year to 69.6 cents this year; for all city funds.

The Venice rate for city purposes jumped from 62.2 cents to \$1.02, while the Madison city rate rose from 97.6 cents last year to \$1.09 for collection purposes this year, an increase of 9.3 cents.

Past Noble Grand Club Meets

The March meeting of the Past Noble Grand Club of Junia Rebekah Lodge was held Thursday in the recreation hall of the Anchorage.

Mrs. Mabel Clark was in charge, and refreshments were served by the hostesses, Mrs. B. Simpson, 2621 Edison avenue, Leona Spangenberg, Mrs. Florence Partridge and Mrs. Esther Langolf to Mesdames Ann Sternberg, Shirley Stanfill, Eleanor Patterson, Amalia Jung, Hulda Forcade, Jewel Patterson, June Bender, Bessie Hickman, Edith Rhodes and Rebecca Parrish.

"BOSSSES PANEL" at the meeting Thursday of the Tri-Cities Chapter of the National Secretaries Association (International). Left to right are—Paul Kemp, plant manager; A. O. Smith Corp.; Mayor Donald Partney; George E. Eubanks, information officer, Granite City Army Depot; and Harry Thebeau, State Farm representative.

Panel of 'Bosses' Featured At Meeting of Secretaries

A "bosses panel" was the highlight of the regular meeting of the Tri-Cities Chapter of the National Secretaries Association (International) at the Rose Bowling which took place March 13, Thursday evening.

Taking part on the panel were Paul Kemp, plant manager, A. O. Smith Corp.; Mayor Donald Partney; George Eubanks, information officer, Granite City Army Depot; and Harry Thebeau, State Farm representative. Mrs. Bette Davis, vice-president of the chapter served as moderator.

Members and guests enjoyed an exchange of ideas concerning what a "boss" expects of his secretary, and in turn some of the ideas a secretary expects from her boss. Two of the most important ideas brought out by the bosses as to the description of an efficient secretary was loyalty and self improvement.

Other guests for the evening were Mrs. Wilma Childress, Mrs. Linda Fritchey, Miss Pat Jarvis, Miss Jeanine Hoover, Miss Janice Jones and Mrs. Loraine Sedlar.

Prizes were awarded to Mrs. Augsbergmann and Mrs. Helen Gieselmann. The chapter will meet again

Minerva Club Plans Events

The Minerva Woman's Club held a business meeting Thursday evening in the home of Mrs. Jerry Lorentz, 2822 Sunset drive. Plans were made to attend the Twenty-second District, IFWC style show at Fischer's restaurant, Belleville, March 17, and the silver tea and musicale of the Ladies Coterie April 3 at the YMCA. Mrs. Alex Tarpo and Mrs. Kurt Merz, Minerva members, are to be among the models at the style show in Belleville.

Mrs. Pat Busch presided and Mrs. Ann Frayle, an honorary member, was reinstated to active membership.

A donation was made to Friends of the Madison County Historical Association, and Mrs. William Burky read an article entitled "Warning, Watch Out for Deceitful Gases."

Others present at the meeting were Mrs. Charles Kohl, Mrs. Earl Benoit, Mrs. William Dodge, Mrs. Keith Parker, Mrs. Harold Mercer, Mrs. William Cravens, Mrs. Billy Terrell, Mrs. Clem Rehagen, Mrs. Charles Goff, Mrs. Frank Kraus and Mrs. David Nagy.

Reeves-Carty Nuptials Saturday

Miss Rebecca Carty, a daughter of Mr. and Mrs. Earl Carty, 1710 Market street, Madison, and James G. Reeves, whose parents are Mr. and Mrs. James Reeves, 920 Greenwood street, were married Saturday afternoon at Tri-City Park Tabernacle by the Rev. Lloyd Shoemaker.

The bride wore a gown of white lace and carried a bouquet of white carnations, lilies of the valley and a white orchid.

Attendants were Miss Judy Carty, sister of the bride, maid of honor, Janet Baker, flower girl, John Parker, best man, and Ronald Delaney, Larry Lilly and Mike Carty, ushers.

A reception was held at the church after the ceremony. The newlyweds will reside in Granite City. The bridegroom is employed in St. Louis.

SR. CITIZEN BOWLERS HONOR LEVI RAINWATER

The Senior Citizens Bowling League of Tri-Mor Lanes honored one of its members, Levi Rainwater, with a party last week on his 90th birthday.

Coffee and cake were served to the bowlers and special guests, and Joseph Cusumano, manager of the lanes, presented Rainwater with a bowling bag, a trophy and a pass for three free bowling games each week.

Mrs. Smith is Circle Hostess

Faith Circle of Niedringhaus Memorial Methodist Church met Thursday evening in the home of Mrs. Paula Smith, 2117 State street.

Twelve were present, including a guest, and devotions and the lesson were given by Miss Mabel Stewart.

Plans were made by the circle to attend Holy Week services at the church and to serve as hostesses at the general meeting of the Women's Society March 14.

MISS MYRA ELAINE PENROD, whose parents, Mr. and Mrs. Albert G. Penrod, 2338 East 24th street, are announcing her engagement to James L. Unger, a son of Mr. and Mrs. James Unger, 2640 Angela drive. Plans are being made for a June 3rd wedding.

WCTU Hears Talk By Dr. Troyer

Mrs. Edna Barr, 2613 Hodges avenue, was hostess to the Women's Christian Temperance Union at an evening meeting Friday.

Mrs. Bethel Davis presided, and introduced Dr. Raymond Troyer, president of the Quad-Cities Ministerial Association and a member of the faculty of Southern Illinois University.

Dr. Troyer, who spoke on "Counseling of Youth and Parents," Counseling classes for parents are held at the Granite City high school at 7:30 p.m. on Monday evenings, and at the Danbar school in Madison on Thursday evenings. Eighteen members were present at Friday's meeting.

Mrs. Glenn Cundiff led the group in the pledges to the flag, and after devotions and the lesson by Mrs. William Fisher, Everett Hopkins offered prayer.

Mrs. Bethel Davis presided over the business session. A letter was read from the State president announcing the state clinic to be held in Springfield March 28 and a motion was made to send two delegates.

Three birthdays were observed at the meeting. Those honored were Mrs. Pauline Schroeder, Mrs. Anna Meyer and Mrs. Wille.

Luncheon was served at noon by a committee composed of Mrs. Etta Wilson, chairman, assisted by Mrs. Marie Stromlund, Mrs. Irene Hendricks, Mrs. Grace Ham and Mrs. Mata Rice, and after the business session conducted by Mrs. Ellen Ehler, president, a Lenten quiet hour was held under the leadership of Mrs. Marie Wille and Mrs. Genevieve McCommis. The topic was "The Christian Life."

Vietnam Veteran Gives Talk

Quad-City Navy Mothers 850 met Thursday evening at the VFW hall with 18 members and a guest attending.

The latter was Cpl. Lewis Labortay, who is home on leave from Vietnam and who entertained the group with colored slides and a commentary on the life of servicemen there.

A nominating committee was elected at the meeting to select new officers for the coming year. Those named were Mrs. Della Rabb, chairman, Mrs. Hazel Jones, Mrs. Bessie Courtwright, Mrs. Norma Jones and Mrs. Vernetta Hall. The next meeting will be held March 16.

Coterie to Aid Handicapped

The Ladies Coterie met Thursday afternoon in the parlor of the First Presbyterian Church. Mrs. Lee Sawyer was the hostess and 19 members attended.

Mrs. E. J. Griffith, vice-president, presided in the absence of the president, and announcement was made of the purchase of a membership in the Association for the Handicapped on behalf of the Coterie. The donation was accepted by Robert Zentner, assistant director of the Association.

After the business hour, Mrs. Arthur Roseman, program chairman, introduced Harold Brown, Granite City park superintendent, who spoke on the services and programs offered.

The next meeting will be in the meeting room of the Travelodge Motel on March 16 with Mrs. Charles Kohl as hostess.

HONOR CIRCLE HOLDS MEETING

Mrs. Alice Huttinger was hostess Thursday evening to Honor Circle of Niedringhaus Memorial Methodist Church in the home of her mother, Mrs. Vernon Lindley, 17 Shirlwin drive.

Mrs. Pearl Campbell, a guest, led the opening prayer, and the lesson was given by Mrs. Shirley Loy, who used the Sermon on the Mount from the Bible, illustrating each of the Beatitudes with colored slides and explanations from a book by Billy Graham. The service was closed with prayer.

Thirteen members and five guests were present, and a report was made of 31 sick calls made by the members.

Mrs. Nikonowicz Named Association President

Mrs. Delores Nikonowicz was named president of the Kirkpatrick Homes Improvement Association at a meeting held Thursday afternoon in the home of Mrs. Betty Liddell, 4205 Kirkpatrick Homes.

She succeeds Mrs. Sandra Ray, who recently moved from the housing project to Glen Carbon. Mrs. Nikonowicz previously served as the association's vice-president.

Mrs. Liddell was elected vice-president, with Mrs. Marcia LeGrand and Mrs. Eula Reagan retaining the offices of secretary and treasurer, respectively.

Members decided to cancel plans for a proposed Easter Egg Hunt for children living in the housing development and concentrate instead on arranging various activities for the coming summer months. Also discussed was adoption of a new constitution and by-laws.

The association will hold its next meeting at 9:30 a.m. Thursday, March 23, in the Kirkpatrick recreation center, Mrs. Nikonowicz announced.

Registration This Week for 'Y' Spring Activity Program

Registration began today at the YMCA for its spring program, which was outlined by Youth Director Charles Hesse.

The spring program will officially start Monday, March 13, with registration of new members conducted this week through Saturday, March 11.

Beginning with the spring session, all swimming instruction classes will be taught on a continuous basis. Each individual will be able to progress at his or her own rate.

Choice of Day, Time
Each instruction class is scheduled on two different days at different times. This allows for the individual to choose one of the class periods for his lesson.

Two recreation swim periods for the 6-14-year-old group are also planned during the spring. These will be weekly on Thursday 4-4:45 p.m., and Saturday, noon-12:45 p.m.

The fee for swimming instruction for boys and girls, grades 1-8, single activity membership, is \$6.50 per year, or a full activity membership of \$11 a year.

Other swimming periods for children and adults, including new programs:

Parent-Child Swimming
PARENT-CHILD SWIM—Saturday 3:15-4 p.m. Beginning Saturday, March 18, the swimming pool will be available for parent-child swimming. Any boy or girl may swim during this time period if accompanied by a parent.

There will be no charge for those who have full privilege memberships; otherwise, \$1 per adult and 25 cents per child (through high school). Children under nine years of age must be accompanied by a parent of the same sex.

HIGH SCHOOL GIRLS' SWIMMING—Saturday, 9:45 a.m. High school girls' "Learn to Swim" beginning March 18 will offer a class for girls in grades 9-12. It will be a 10-week session.

Junior High Night
EVERY FRIDAY NIGHT—JUNIOR HIGH NIGHT. The Teen Town facilities will be available from 7:30 until 10 p.m. Only 7th, 8th and 9th graders will be admitted.

Admission is free to "Y" full privileged members. All other persons pay 50 cents. Pool, table tennis, the dance floor and the TV lounge will be available on these nights.

All 7th, 8th and 9th grade boys are being encouraged to join a Junior Hi Y club. These clubs will meet Friday evenings at 7:30. Registration for the clubs will be during the week of March 6-11. A full privilege membership is required.

Health Education
A "Health Education Program" for girls in the 6th and 7th grades and their mothers—and boys in the 7th and 8th grades and their fathers—will be offered by the YMCA during April.

The programs will involve three weekly evening meetings, with the objective of facilitating communication between the parent and child in the area of health, sex and social education, based on Christian values.

Local physicians and ministers will be resource leaders, using the latest films and printed materials available. Sign-up information will be available early in March.

First, Second Grades Sought
On Wednesday, March 29, at 7 p.m., all Quad-City first and second grade boys and their fathers are being invited to a Y-Indian Guide Pow-Wow at the YMCA.

There will be tom-tom beating, singing and refreshments as the group organizes Y-Indian Guide tribes.

For further information on any of these new programs, please contact the YMCA, TR 6-7200. Continue Existing Programs
In addition, many of the pres-

ent programs will continue this spring. These include:

GYMNASTICS. Basic gymnastics are taught Mondays from 4 to 4:45 p.m. Advanced gymnastics is taught Wednesdays from 7 to 9 p.m.

TUMBLING AND TRAMPOLINE SKILLS. Tumbling skills are taught Mondays, 4-4:45 p.m. and trampoline skills are taught Tuesdays, 4-4:45 p.m. These skills are also taught in the advanced program on Wednesday and Friday evenings.

Such activities will require a \$2.50 single activity or full privilege membership.

ADULT PROGRAM. All presently scheduled adult programs (swimming, gym, volleyball, etc.) will continue as scheduled TR 6-7200.

Student Club
JUNIOR COIN CLUB—2nd and 4th Wednesdays. The club for boys and girls of grades 4-8 will begin Wednesday, March 8, at 7 p.m. at the YMCA. The club will meet twice monthly, under the direction and supervision of the Land of Lincoln coin club. The programs will consist of movies, lectures, exhibits, etc.

WRESTLING LIFTING-BODY BUILDING CLASS. The class has been started at the "Y" and will continue throughout the spring.

Under the direction of Ron Shafer, it is open to all boys, grades 8-12. The class meets every Tuesday, Thursday and Friday, 4:30-7 p.m. each Saturday, 10 a.m.-noon. Emphasis is given to proper techniques and usage of weights and apparatus.

GUITAR LESSONS. Beginning guitar lessons (non-electric) will be taught every Tuesday at 7 p.m. in the Pine Room at the YMCA. Al Campbell will be in charge.

SOCIETY

Easter Theme For Meeting

The Anchorage recreation room was the place of meeting Thursday afternoon for Truth Circle of Niedringhaus Methodist Church.

Mrs. Edith McCasland and Mrs. Mary Ahlvers, hostesses, used a n Easter theme in the appointment and a one o'clock luncheon was served.

Mrs. Leola Cartwright, leader, conducted the meeting, following the opening hymns. The members were reminded of a trip to a St. Louis radio station planned for March 16 and also the district meeting of the Women's Society of Christian Service to be held in Alton, reservations for which are to be in by May 8.

Mrs. Myra Godell was in charge of the lesson study from the church magazine entitled "Four Forgotten Facts," and the Scripture was read by Mrs. Mary Ahlvers. A report was made of 28 sick calls during the past month.

Others present were Mrs. Augusta Pender, a guest, Mrs. Greta Grewell, Mrs. Olivia Lehman, Mrs. Alice Cruse, Mrs. Mildred Carper, Mrs. Eunice Ahlvers, Mrs. June Karandjoff and Miss Elva Miller.

Mrs. Henley Circle Hostess

Mrs. Elsie Henley, 2540 Cleveland blvd., was hostess Thursday evening to the Love Circle of Niedringhaus Methodist Church for its monthly meeting.

Mrs. Fern Kramer gave opening prayer. Mrs. Vera Willtrout presented the lesson, "Last Days of Jesus' Life," taken from the Chapters 28-30 of Luke. Each member took part in the lesson by reading the Scripture.

Mrs. Henley presented minutes of the executive committee and the meeting closed with sentence prayers.

Refreshments were served to Mesdames Gwen Barry, Shirley Bushue, Esther Conn, Norma Marcus, Ruth Perky, Helen Simpkins, Virginia Helm, Grace Paddock, Phyllis Bils, Catherine Bunch and guests, Mrs. Margaret Kendall and Mrs. Mildred Darnier.

Mrs. Berry will entertain the group April 6 in her home, 3708 Johnson road.

Afternoon Guild Elects Officers

Officers for the coming season were elected Thursday at a monthly meeting of the Afternoon Guild of St. Peter United Church of Christ.

They are—Mrs. Hulda Davis, president; Mrs. Ruth Christpher, vice-president; Mrs. Mabel Davidson, secretary; and Mrs. Kay Cornelison, treasurer. They will assume their new duties in the autumn.

Mrs. Ruth Kabareck, the retiring president, was in charge at the meeting.

The program consisted of the Lenten Quiet hour entitled "Consider Him." It was presented by Mrs. Elsie Branding, assisted by Mrs. Esther Baderberg, Walter Brummer, organist, Mrs. June Branding, soloist, and Rev. Robert Baumann, who presented a film. Thirty members were present.

Mrs. Ruth Kabareck, the retiring president, was in charge at the meeting.

Those attending were Mesdames Lotie Howerton, Olga Martin, Mildred Darnier, Verna Henley, Lily Sprits and Davis and two guests, Mrs. Shirley Loy and Mrs. Sue Miller. The next meeting will be April 6.

ATTEND CELEBRATION IN MISSOURI

A number of local people were in Florissant, Mo., Sunday to attend a surprise celebration honoring Mr. and Mrs. Lloyd Moore of Jennings, Mo., former Granite Cityans, held at the home of their son and daughter-in-law, Mr. and Mrs. Lloyd F. Moore. The occasion was the 40th wedding anniversary of the couple.

The local guests included Mr. and Mrs. Claud Poole, and family, Mr. and Mrs. Oscar Poole, Mrs. Mercedes Erdman, Mrs. Felix Tucker, Mr. and Mrs. Richard Rojas and family, Mr. and Mrs. David Turner and family, Mr. and Mrs. William Short and children, Mr. and Mrs. William Scatturo and children, and Mr. and Mrs. Charles Wallace and family.

MRS. EDWARD BURLISON, the former Brenda Lane, a daughter of Mr. and Mrs. Edward Lane, 2213 Nevada avenue, who was married Saturday evening at Dewey Avenue Methodist Church.

Miss Brenda Lane is Bride Of Edw. Burlison Saturday

Miss Brenda Lane became length gown of apricot peau de soie with a scoop neckline and elbow sleeves. Lace encrusted the natural waistline and a peau de soie rose added back interest, topping a semi-controlled skirt. A petaled headpiece with seed pearls matched the gown, as did a circular nose veil. She held a crescent arrangement of yellow pom poms.

Two candelights, Miss Evelyn Howard and Miss Sandra Lane, the latter a cousin of the bride, were dressed alike. Street-length, the dresses were made of yellow peau de soie with Chantilly lace cages in the same color. They wore corsages of white carnations.

For her daughter's wedding Mrs. Lane selected a cranberry knit suit and bone accessories, while the bridegroom's mother chose a dress of pink lace over tulle and pink accessories. Both wore white carnations.

The wedding reception was held at the church. Miss Diane Kieley presided over the guest book.

The bride, a graduate of Granite City high school, is employed in St. Louis. Mr. Burlison attended the Pattonville, Mo., schools. He is employed by Granite City Steel Co.

After a trip through the south, the newlyweds will live in Granite City. The bridegroom's parents gave the rehearsal dinner Friday evening at the home of the bride.

Out-of-town guests here for the wedding, beside the bridegroom's parents, were Mr. and Mrs. Matthew Dickson and Edward Russell of Paducah, Ky., Mr. and Mrs. Earl Rainwater and Mr. and Mrs. William Rainwater of Dover, Tenn., Mr. and Mrs. Howard Reynolds and Mr. and Mrs. Odell Rainwater of Melvindale, Mich., Mr. and Mrs. Billy Diggs and M. K. Dickson of Jackson, Tenn.

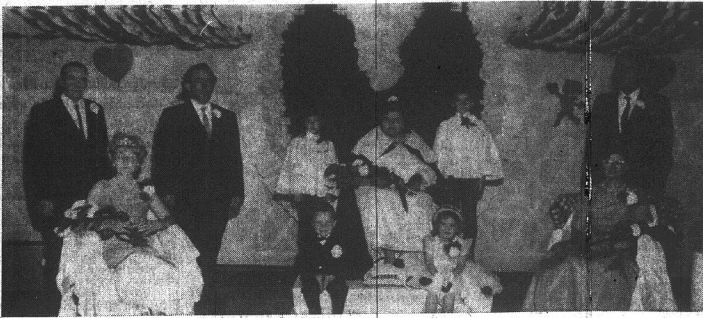

They are—Miss Jane Dulgeroff, of the Granite City high school, a daughter of Mr. and Mrs. Virgil Dulgeroff; Miss Judy Pogorelec, of the Madison high school, daughter of Mr. and Mrs. Steve Pogorelec; and Miss Donna Dolan, representing the Venice high school, whose parents are Mr. and Mrs. Ralph Dolan.

All three girls were present with their mothers to receive the bride.

Weiler-Kisner Wedding Saturday

Miss Judith Kisner, 1907 Harris street, and Ralph Weiler of Glen Carbon, a Granite City Army Depot employee, were wed Saturday morning in the city hall by Magistrate Hiscott. Attendants for the couple were the groom's brother and sister-in-law, Mr. and Mrs. Raymond Weiler Jr. of Edwardsville. The bride is an employee in the St. Louis offices of Southwestern Bell Telephone Co.

Madison Street Worker Shot During Scuffle

Charges of aggravated battery, fighting and assault were filed by Madison police yesterday against Ordon Lee Pierson, 28, of 3807 Dale avenue, following the shooting late Friday night of Stanley Bialczak, 55, of 1021 Greenwood street.

Bialczak, a Madison city street department worker, was admitted to St. Elizabeth Hospital at 11:30 p.m. Friday suffering a bullet wound in the left leg just above the ankle. He also was treated for a scalp cut apparently suffered in a fall after he was shot in the leg.

Police said they were called to 1108 State street in front of the Minnie's TeePee Tavern where the shooting occurred. Witnesses gave police a description of the car in which Bialczak's assailant left the scene.

About midnight Granite City police found the car parked at 14th and State street and alerted Madison officials who arrested Pierson and a companion as they got into the auto. Pierson's companion, a 22-year-old Granite City youth, was booked as a material witness and released. Pierson also was released pending a hearing March 28.

Cumulative Voting Helps Minority Party Elect State Representative

By GEORGE FOX RISHIEL
University of Illinois Student

When an Illinois voter marks his ballot on election day, he must decide how he will distribute his three votes for his state representatives.

He can cast all three votes for one man, or split a half vote for two men, or a single vote for three candidates. Bewildered, the voter often casts a straight party ballot or gives one candidate all three votes.

Referring to this unique voting system, Illinois Secretary of State Paul Powell summed up its major failure: "People don't understand it."

Joseph Medill, cumulative voting's chief sponsor in the 1870 Constitutional Convention and publisher of the Chicago Tribune, supported this plan as a means of healing the wounds left from the Civil War. At that time, southern Illinois was Democratic and sympathetic to the South, and northern Illinois was Republican and abolitionist in sentiment.

The provision for cumulative voting was offered as a separate proposal. Its margin of acceptance was the smallest of all constitutional recommendations.

Minority Representation
The purpose of this plan is to insure minority representation, not only in the legislature, but also from each representative district.

Republicans and Democrats in each part of the state have now received at least one representative of their party in the legislature.

Cumulative voting immediately resulted, after 1870, in the composition of the Illinois House reflecting the statewide strength of the two political parties.

Strengthened Governor's Role
Since cumulative voting was put into effect, the minority has been nearly as strong as the majority in the lower house of the General Assembly. Samuel K. Gove, director of elections of Governmental Affairs, has concluded, "The relatively equal party division in the House, a result of cumulative voting, makes it virtually impossible to override the governor's veto."

However, many complaints have been leveled against the system. With the renewed interest in a new constitutional convention, the major criticisms are being voiced again.

Michael J. Howlett, state auditor of public accounts and reputed to be interested in the governorship, attacked cumulative voting for "depriving the electorate of any choice in a general election." He described it as "a terrible burden on the elec-

tion judges," and as "encouraging deals between parties." He said it fails to give "the best qualified candidates."

Gove has further charged: "The effect of the present cumulative voting system is to cause intra-party friction in the contested districts. A party's candidates, whether openly or not, actually campaign against each other, especially in the case of the party that is considered to be in the minority in a particular district."

Varied Changes Proposed
Proposed changes in the system have been equally diverse. Jerry Miller, executive director on State Government- Illinois, simply said, "Abolish it."

Howlett, claiming the principle of minority representation could be better protected with a "one-man-one-vote" ballot, suggested each party be empowered to nominate two and only two candidates in each district. A majority to this idea, he also proposed the voter be allowed to vote for cumulative, two or three candidates with no more than one vote given to each candidate.

Referring to the last general election, Gove for representative produced more district contests and, therefore, "a divisive effect within each party."

Develop Party Issues
If a new system would eliminate intra-party friction, and if political parties would be strengthened by one or two parties, then it can be expected, according to Gove, that they will become more issue-oriented and will spend more time developing party positions.

Many people feel that a change from the cumulative voting system would produce a better and more responsive group of state legislators. Jerry Miller, a candidate that "phenomenon like Paul Powell can be explained by cumulative voting."

However, Rep. Marjorie Pehworth (R-Riverdale), considered an outstanding "blue-ribbon" legislator, claimed, "I could have been elected without it." The Republican organization in her district refused to endorse Mrs. Pehworth for renomination; she defeated the organization chairs, since enough voters in her district gave her all three of their votes.

If a new constitutional convention tampers with cumulative voting, it probably must either reject the entire system or modify it as Howlett proposed.

However, as Arthur Nebel, a member of the attorney general's staff, remarked, "The principle of minority representation has been fairly well established in Illinois."

Investing Question-When to Sell?

By THOMAS E. O'HARA
Chairman, National Association of Investment Clubs

Q. A savings association sold stock in 1962 at \$46 a share. Through share adjustments, we own 90% more shares, but the price has dropped so that the total amount is worth less than half of its original cost. The firm doesn't pay dividends, but claims it is sound and has tremendous growth possibilities. What would you advise an investor in this stock to do?

A. In 1961 and 1962 there was a great deal of interest among investors in savings and loan stock companies. As a result of the large demand for these stocks, their prices climbed to all-time highs. In many cases, these were out of line with the value.

Since 1962, three things have occurred to affect the price of such stocks. First has been the slump in the home building field, with less new mortgage business available and with higher delinquency on outstanding loans.

Second has been the tight money situation. This has reduced deposits and increased interest rates.

Third has been the fact that some companies formerly had an accurate system of earnings that resulted in their reporting unrealistically high earnings per share. Generally, they have now adopted a revised system recommended by the federal government, with the result that they

now are showing lower earnings per share on the same amount of business.

Readjustment Over
The factors have worked to lower the earnings rate. It appears, however, that the worst of this readjustment period is over. While I hesitate to predict any immediate improvement, it seems unlikely that from here on the situation will worsen materially.

Why don't you talk with one or two brokers about this particular man, and see if they can point out its strengths and weaknesses?

Q. A year ago I bought \$10,000 worth of stock in a mutual fund, and now it is worth \$8,000. Should I sell now that I can almost break even?

A. You have forgotten one thing: you paid about \$800 in commissions, so your actual money working for you amounted to only \$9,200. On this basis, you are \$800 ahead—a pretty good gain for a year that saw most stock prices going down.

You paid a busy fee for the privilege of buying in. Why drop a long-term investment now, when all the charges have been paid on it?

Have you a question about investing rules? Write to me as many as possible in his column or by personal mail, but please do not include names. I will publish an official state newspaper at least ten days before the rule is filed and permitting anyone to appear in opposition.

Living Expenses
S. 433—Provides that no state officer or employee is to be allowed living expenses or furnished living quarters at state expense at any place where his principal office is located. In the case of elected state officers and of department directors, the principal office shall be considered to be Springfield. Exempt living quarters for the governor, supreme and appellate court judges during their term of office, prison wardens and holders of similar posts whose duties require them to live on state premises.

S. 436—Election of trustees of public utility districts in June and August. The term of office shall be for two years, with terms to begin July 1 (new May 1).

S. 442-443—Provide that the redeeming or exchange of trading stamps for tangible property shall not constitute a sale at retail. Delete present provision that persons who engage in transferring tangible personal property upon redemption of trading stamps are engaged in selling it at retail and therefore liable for tax.

House Bill 277 merits adoption by the state legislature because it would require that all motor vehicle registration applications be accompanied by evidence that personal property taxes on the vehicle have been paid.

Although efforts to get all autos and trucks on the tax rolls have been stepped up in recent years, some people still escape payment, particularly those who live in the country and have one or two. The current proposal would end this situation, easing the overall tax burden and increasing its fairness.

Traffic Improvement Deserves New Thought, Action This Month

Discussion of an alternate Citizens' Traffic Commission one-way street proposal is encouraging. It has brought the deadlocked Granite City traffic issue back on the agenda after months of stalemate.

There is nothing sacred about any one traffic improvement plan, and whatever is adopted can and should be subject to revision, based on how effective it proves to be. But an objective, coordinated approach is essential and council members obviously have a responsibility to concern themselves with whether traffic is congested, through their own observations or the commission's reports.

The overriding fact is that unnecessary traffic congestion exists, and the problem has not and will not go away merely by being ignored. It is much too important to the community to be a "whipping boy" for airing political differences.

Aldermen ought to forget the past and do all they can during March to revamp traffic control laws in such a way that delay, inconvenience and hazards are cut to a minimum. It would be the best possible way for them to run for re-election—a record of accomplishment rather than one of failure. At present, the "battling average" on traffic is extremely low.

Success is a matter of luck; just ask any failure.—Walt Disney.

Require Tax Receipts to Register Motor Vehicles

House Bill 277 merits adoption by the state legislature because it would require that all motor vehicle registration applications be accompanied by evidence that personal property taxes on the vehicle have been paid.

H. 546—County unit road district tax to be limited to a 10% cent rate for road purposes and a five-cent rate for bridge purposes.

Senate Bill 428—Bans public employees provided with a motor vehicle owned by the state or any branch thereof from appropriating the vehicle for personal use.

S. 429—Permits voter at primary election to designate on his ballot application that he does not wish to disclose his political affiliation.

S. 431—Removes \$30,000 limit on judgments under the death act; provide that there shall be no limit where death occurs after an effective date in 1967.

S. 432—Provides that no rule of any state agency shall be published in an official state newspaper at least ten days before the rule is filed and permitting anyone to appear in opposition.

Experiment Will Show Best Climate For Plant Life, Animals, People
(American Institute of Biological Sciences)
Final preparation for scientific studies is now underway in the Biotron, the University of Wisconsin's controlled-climate facility that is probably the only building of its kind in the world.

In 1958, the National Science Foundation (NSF) conceived the idea for an environmentally-controlled building for plant and animal (including human) experimentation.

Biotron control systems simultaneously compare the climatic conditions of all rooms with the desired conditions for each. If discrepancies are detected, commands are sent to correct the "weather" in a room by, for example, turning "messengers" to valves in cooling pipe lines.

Seasonal changes of light, temperature, and humidity—caused by varying angles of sunlight striking our orbiting earth—can be produced in the Biotron and superimposed upon daily cycles. Seasonal cycles of Venus and Mars can also be simulated.

Air Quality Controlled
Fresh air systems take in 13 cubic feet per minute of outside air, filter out dust and pollutant gases, adjust temperature and humidity, and then channel the air to the Biotron's 48 distinct rooms. Parallel systems remove air from these rooms. During this process of air exchange, the temperature in the rooms changes less than a half-degree. Winds of cyclone velocity with variables of light, temperature and humidity can be produced to study the effects of these differ-

County Bar Debates Render A Valuable Public Service

The Madison County Bar Association is providing public service by conducting yearly debates on varied subjects, including pending "stop and frisk" legislation, wiretapping, state constitutional amendments and pre-trial news coverage.

It is important that citizens have adequate insight into such topics in order to develop informed opinions. Attorneys often are in a position to provide such information, since so many public issues involve laws and interpretation of governmental practices.

We hope to see continued debates and increasing public attendance.

Plan for Streamlined Procedures Offers Substantial State Governmental Savings

Any study that costs \$300,000 ought to be worth reading. The Business Management Study Committee for Illinois report is especially deserving of General Assembly consideration because it outlines potential yearly savings of over \$30 million to the state government.

We doubt that the full cost reduction will be achieved, but some of the recommendations ought to be carried out because they make sense. These include:

1. More effective use of data processing equipment, ending some of the extensive duplication of work by the state treasurer, auditor of public accounts, department of finance and other agencies.

2. A central pool for state motor vehicles, with the agencies using them required when practical to purchase gasoline from state facilities.

3. More uniform purchasing and bidding procedures.

4. Extra fees for unusual services, such as issuance of favorite auto license numbers.

5. Accelerated depreciation funds received to increase cash availability and interest income.

6. Reduction of 20,000 clerical employees by 20% to 25% through application of modern work measurement standards.

Because of the way Illinois governmental duties are growing, constant procedural advances must be made in order to keep state programs within taxpayers' financial ability. The new managerial study offers constructive ways in which this necessary goal can be pursued, and has the full support of Gov. Kerner.

National Steelmaking 'First' For Granite City Steel Co. This Year

As Granite City Steel Co. points out in its annual report, during 1967 it will become the first steel producer in the nation to make all its steel in basic oxygen furnaces and then roll all the slabs from that steel on a new computer-controlled hot strip mill.

Because steelmaking and hot strip rolling are the largest operations in a flat-rolled steel mill, a substantial investment was required for this "first."

Quad-City looks forward to the completion of the vast three-year expansion and modernization program later this year and salute the company for its destined leadership in one of the most competitive, costly and complex manufacturing fields.

Keep Records to Support Tax Returns

By JAY G. PHILPOTT
Hastier Director

Q—Just completed my income tax return and sent it in. What records should I keep in case I'm audited?

A—Keep whatever you need in order to substantiate the income and deductions on your return. Canceled checks, paid bills, W-2 forms, 1099 forms, bank books and similar records will be helpful.

Q—My salary was about \$6000 last year and my wife earned about \$2000 doing part-time office work. Which return would be the best for us to file—joint return or separate returns?

A—Based on income alone, your question is impossible to answer. The deductible expenses each of you have are the determining factors.

Generally, joint returns are more advantageous for married couples. Compute your tax both ways and then file the return that results in the lower tax.

Estate Declaration

Q—Can I use my 1966 income as the basis for a declaration of estimated tax?

A—Yes, this is one of the methods that may be used in filing a declaration of estimated tax. You may also use your 1966 tax.

Q—I have GI insurance. Are the yearly dividends taxable?

A—No, veterans insurance dividends are not taxable.

Q—I have to report the alimony I receive from my ex-husband.

A—Yes, alimony is taxable income to the recipient. Child support payments, however, are not taxable.

Q—I made several contributions last November's elections. Are they deductible if I itemize?

A—No. The law does not permit a deduction for contributions to political campaigns.

Limits on Right to Bear Firearms

(Tri-City and Illinois Bar Associations)

Citizens of Illinois may own firearms but the law defines the manner and circumstances under which firearms and other deadly weapons may be carried.

A law passed by the General Assembly in 1965 makes it illegal to carry or possess any firearm or other deadly weapon in any place which is licensed to sell alcoholic beverages, at any public gathering where an admission is charged, or at any public gathering held pursuant to a license issued by any governmental body.

Also, it is against the law for anyone to carry concealed in or about a person, or in a vehicle, any pistol, revolver or other firearms, except on one's own land or in his own home or fixed place of business.

However, a conviction on charges of carrying a concealed weapon is sometimes difficult to obtain. Courts must decide what constitutes concealment and also

tax or an actual estimate of 1967 income as the basis for filing estimated tax declarations.

Q—How do I figure my state gas tax deduction?

A—Page 9 of the 1966 instructions provides a table that may be used to figure this deduction.

Q—Can I carry a capital loss in 1966. Can I carry it over to next year? If I don't use it all in this year?

A—Yes. Capital losses can be carried over indefinitely until they are absorbed. The loss when carried over retains its original character, so that if it was a long-term loss it remains a long-term loss and a short-term loss remains a short-term loss.

Q—I have GI insurance. Are the yearly dividends taxable?

A—No, veterans insurance dividends are not taxable.

Q—I have to report the alimony I receive from my ex-husband.

A—Yes, alimony is taxable income to the recipient. Child support payments, however, are not taxable.

Q—I made several contributions last November's elections. Are they deductible if I itemize?

A—No. The law does not permit a deduction for contributions to political campaigns.

'Sing a Spong of Sixpence...'

(Danbury Springs, La. News)

Virginia's newly seated Sen. William B. Spong Jr. has some legislation in mind that excites Louisiana's big league.

Seemingly concerned about the piracy of American music in Hong Kong, the good senator has proposed something about the use of the Long-Fong-Song Hong Kong song.

He feels that Sen. Hiram Fong of Hawaii should be pleased to join him, since Hawaii is the first hand.

He also believes that our own Sen. Russell Long should help. Louisiana is the "birthplace of jazz."

Given this support, Spong thinks that he can gain passage of the bill.

We're for it 100 per cent. But we hope they don't have to make a trip over there to research it first hand.

PERFORMANCE AWARD being presented by Walter Milton (left), Granite City, district sales manager for Pepsi-Cola, to Carl Gerdt, district salesman, of Godfrey.

Award Presentation By Walter Milton

Walter Milton, 2541 Delmar avenue, district sales manager for the Pepsi-Cola Alton Bottling Co., announced today that Carl Gerdt of Godfrey was selected as the Pepsi-Cola Alton "Man of the Year." The award, given for service, performance of duties and loyalty, is presented at the company banquet held annually for employees and their wives.

In addition to a plaque and trophy, the award carries an extra week's paid vacation. The awards-banquet was held Friday evening at the Round Table restaurant near Collinsville. Nick Maggos, president of the company, served as master of ceremonies. Among guests at this year's banquet were Pepsi Regional Manager, David Pagliara and District Manager Ron Laven-der from the Kansas City regional offices.

Over 100 employees and their wives attended the banquet. Gerdt, the firm's senior route salesman has been with the Alton company for 16 years.

Medicare's 'Hidden' Benefits Include Health Worker Visits

Many elderly citizens of the Quad-City, Collinsville and St. Clair counties, areas could benefit from one of the hidden features of the Medicare Law, Ralph Brasher, district manager of the Social Security Administration, said today. The insurance will pay for home visits by nurses, physical therapists and certain other health workers employed by a home health agency that is participating in the program. Payments can be made for part-time nursing care, physical therapy, some medical supplies and use of special equipment.

Need for More Social Workers in Area Cited

For the fifth year, March has been designated as National Social Workers Month, directed toward increasing public understanding of social work and the career opportunities in it, it was noted today by the St. Clair-Madison counties branch of the National Association of Social Workers, a nationwide organization of 46,000 professional social workers.

This year's observance is stressing the place of social work in American life, not just in serving people in trouble but in helping to strengthen family life and improve community living, it was explained. With U.S. economic progress and urban growth, the social problems, large-scale voluntary and government health and welfare programs have been launched, multiplying the need for social workers locally and in virtually every community.

Names of local social workers are available from Miss Catherine Baska, School Social Worker, Board of Education, East St. Louis, for those who would like to talk with a social worker in the Quad-Cities.

Venice Driver Fined

\$45,570 Grant Awarded SIU-SW for Drug Study

A federal grant of \$45,570 has been awarded to Southern Illinois University-Southwestern campus for a series of institutes aimed at reducing non-narcotic drug abuse among students.

Issued by the U. S. Department of Health, Education and Welfare, the funds will come under the auspices of the university's delinquency study and youth development project. Administration of the grant will be by sociologist John Rawlin, coordinator of drug abuse studies, who proposed the training.

Planned for spring and summer, the institutes will be directed toward educational personnel at high schools and colleges. No definite dates nor specific number of sessions have been set.

Underwritten by the Office of Juvenile Delinquency and Youth Development, the sessions will touch upon many subjects related to the use and abuse of narcotics such as LSD, barbiturates and marijuana. Principals, school administrators, guidance counselors, security police and employees of university health services and student affairs offices will attend.

"In the light of the recent spree by juveniles using LSD and other hallucinogenic-type drugs or 'kicks,' Rawlin said, 'it is imperative that educators and those who deal with abusers be given a sound knowledge-base on which to work.'"

Church Class Will Hold Supper March 11

Instead of the regular meeting of the Pathfinders Class of Niedringhaus Memorial Methodist Church on March 11 a ham and beans supper will be given at the church.

Mrs. Kenneth Tanksley is serving as chairman of the event. The proceeds from the supper will go to the Methodist Children's Home in Mount Vernon.

MONORAIL SYSTEM, a winning exhibit at the Venice grade school Science Fair, which was designed by eighth grader Fred Leatherman. Science Fair winners examining the model are, left to right—Sharon Ballentine and Marla Brawley of the seventh grade, Leatherman, and Tom Cooper and Jose Narvaez of the eighth grade.

Science Fair Winners Named at Venice School

Winners of the seventh annual Science Fair conducted by seventh and eighth grade students at Venice school were announced Thursday afternoon.

First-place awards went to Fred Leatherman of grade 8A with an exhibit of a monorail, Tommy Cooper and Jose Narvaez of grade 8B with a telephone, and Marla Brawley and Sharon Ballentine of the seventh grade with a fingerprinting exhibit.

Second-place awards were won by William Parker of grade 8A with an elevator display, Charles Nash of grade 8B with "The Listening Ear," and James Ohiard and Mike Greathouse of the seventh grade with a "Nuclear Chain Reaction."

Placing third were Gary Dollar

and James Woods of grade 8A with "Electrical Wiring," Fred Ballentine and David Allison of grade 8B with an exhibit of a weather station, and Rose Marie Garris of the seventh grade with "The Human Brain."

Honorable mentions went to Stuart Kutz for a "Moon Scale," James Lirby for a "Major Scale," James Lattin for an "Incubator," Earline Trebbing for a "Hearing Aid," Ramona Narvaez for a "Hair Hygrometer," and Curtis White for "The Spider."

The winners received trophies, certificates and ribbons. Judges were Roger Davis, grade school principal, and Louis Sabin, Venice principal, and Robert Blatner, eighth grade teacher, was in charge of the event.

Choral Concert Set Wednesday at SIU-SW

A choral concert featuring Southern Illinois University-Southwestern's 36-male chorus and 70-member women's glee club will be presented at 8:15 p.m. Wednesday in the theater of the university's new communications building.

Under the direction of Prof. Leonard Van Camp, the combined choral groups will sing Volckmar Leisinger's "O Fili et Filiae," "Three Canons for Five Equal Voices," and Joseph Clokey's "A Canticle of Peace."

The male chorus will do Joaquin des Pres' "Gloria" from "Missa Mater Patria," with 80 parts sung by Ray Vorhees of Granite City and Gleen Forney of Florissant, Mo.

The chorus also will sing Bach's "May God Smile on You," accompanied by Louis Miller of Granite City at the piano; Grieg's "Brothers, Sing On" and Dvorak's "Grief, Oh Grief," with Miller and John Murphy of Minot, N. D., as duo pianists.

The women's glee club will sing Johann Hermann Schein's "Four Songs, Op. 17," accompanied on the horns by SIU student Joanna Hale of Brighton and Phillip Paetz of Godfrey and on the harp by Mrs. Laura Martini of Harris, part-time instructor at SIU-SW. The glee club also will sing Arthur Frackenpohl's "The Natural Superiority of Man," accompanied by the piano by Harlan Rock of Belleville.

On Tuesday, the two choral groups will perform at Madison high school at 12:30 p.m. at O'Fallon high school at 9 a.m. and at Staunton high school at 2:10 p.m. The program at SIU is open to the public without charge.

Fastened Seat Belt Reduces Injury Chances by One-Third

"Your chances of avoiding injury in a traffic smashup are increased by more than one-third if you are wearing a seat belt," Quad-City Safety Council officials said today.

Traffic safety research has proven that the chances of being killed are several times greater if a person is thrown from a car in a traffic accident. Seat belts keep individuals safer within the car, should the auto be involved in a traffic collision or upset.

A nationwide survey conducted by the Auto Industries Highway Safety Committee in 1966 revealed that, while more than half of the 1.7 million cars inspected in the National Safety-Check Program were equipped with seat belts, nearly 80 percent of the drivers questioned failed to use them when most needed.

Only 37% of the half million drivers interviewed in the survey said they "always" use their seat belts for local travel (trips of less than 25 miles). Twenty-two per cent admitted they "never" buckle up for short trips while the remainder reported use "sometimes."

Statistics show that out of five fatal accidents happen within 25 miles of the drivers' homes. The survey also showed that even for long trips three out of five drivers reported "always" using seat belts while one in ten ignored his entirely.

Front seat belts were made standard equipment in all U.S. cars produced after Jan. 1, 1964, and rear seat belts were made standard beginning with the 1965 models. The Quad-City Safety Council stresses the fact that the only time seat belts are uncomfortable is when you are sitting on them.

"Seven words to live by" as a rule for every trip, long or short, are suggested: "Before you drive: Lock Up—Buckle Up!"

"Remember, seat belts and door locks will keep you inside the car should an accident occur only if you use them!"

Four Area Motorists Lose Driving Rights

Driver's licenses of two area residents were revoked and two others were suspended by Secretary of State Paul Powell.

Revocations were ordered for Earney R. Frederick Jr., 718 Mair street, Venice, for three violations, and David Mitchell, 1024 Douglas street, Madison, for giving incorrect information on an application for a license.

Suspensions were ordered for Doris E. Blacklock, 122 Garehse homes, Madison, for three violations, and Ralph K. Dugan, 4178 Breckenridge lane, for driving while his license or permit had been revoked or suspended.

A probationary permit was issued to Arthur E. Miller, 3112 Jill avenue.

Man Fined \$100, Costs

William H. Hayes, 1729 Olive street, was fined \$100 plus \$5 costs last week by Magistrate Matosien on a charge of criminal damage to property. It was filed Feb. 14 by Granite City police.

Joseph Votupal, Rural Route One, was issued an arrest ticket \$4,388.227 tons of the first two Saturday on a charge of disobeying a stop sign at 21st and State streets.

Cargo Through Canal Locks Up for Two-Month Period

Freight tonnage passing through the locks of the Chain of Rocks canal followed its usual seasonal pattern and declined during February for a total of 2,509,700 tons, according to a report by the Army Engineering Corps which administers operations of the canal and locks. February tonnage was only a slight drop below the January volume of 2,541,650 tons.

The engineers' report showed, however, that the combined tonnage of both January and February, amounting to 5,050,350 tons, was an increase over the 4,388,227 tons of the first two Saturday on a charge of disobeying a stop sign at 21st and State streets.

Seaman Atkinson Sees Action Off Vietnam

Electronics Technician Seaman Richard A. Atkinson, USNR, son of Mr. and Mrs. Kenneth L. Atkinson of 5136 Lakeview drive, participated in Operation Deckhouse VI off the coast of Quang Ngai Province, Vietnam, as a crewmember aboard the guided missile light cruiser Providence, flagship for Vice Admiral John J. Hyland, Commander of the Seventh Fleet.

Prior to jump-off time for the assault, the Providence bombarded the objective area with fire from her six-inch guns. Deckhouse VI was a search and destroy operation aimed at a major infiltration point for enemy troops and supplies along the northern coast of South Vietnam. The area contained fortified bunkers, trench systems and an extensive salt production industry controlled by the enemy.
